

B I G

News in mid December scaffolding went up against Shildon Coal Drops (the finest and most complete set in the Country) and remedial work is currently going on with Phase III of this work

On 18th January, after a three month break, the installation of the cycling/walk route for the section from Locomotion up the former siding to the former Mason's Arms by D C C recommenced.

B I Group have had Bourne Again Gardens strim and tidy the Brusselton Incline East prior to Christmas

There is an invite to the first g5 open morning in their workshop in former Shildon Wagon Works. 11.00PM on Saturday 2nd March plus at the end a welcome for a lunch time pint in the nearby 1833 Railway Institute Redworth Road New Shildon from noon.

The next meeting of this group will be taking place on SATURDAY 3rd February for 10.15
