Thanks to a lot of work by both Peter Singlehurst in taking the photographs of West Auckland section over so many years, when then it was just not flavour (1968 to 1978) of the month and Martin Roberts who this month finally has been able to digitise all 290 of these photos. These will be able to be seen by various groups.

Thank you to all who purchased raffle tickets for our New Year draw, which made funds for this group. To keep it in the family would you believe Jane Hackworth- Young won first prize, Peter Singlehurst the second prize and by one of my grandson's third prize.

The group are proposing to have an 1820s Orchard on their site, with a railway gauged avenue of trees.
